Over the past 28 years, our Summer Workshops have nurtured children through a full-time musical environment of high-quality musical training. Every year we focus on a particular theme under the guidance of an outstanding and expert team of specialist teachers and music professionals.

In addition to our regular staff, this year we are very pleased to have with us the renowned Kurtág specialist & pianist, Valeria Szervansky, our Composer-In-Residence, Cheryl Frances Hoad, recent winner of two British music awards, and Suzuki Piano Teacher & ESA Teacher Trainer, Caroline Gowers.

A limited number of places are available on the Elementary & Young Artists' Courses
